

TECTERRA Announces Two New Calls for Proposals for Hiring Support for Geomatics Companies

TECTERRA is opening the following calls for proposals:

[1308-GEO-Hire CFP: Geo-Hire Funding Program \(Canada Wide\)](#)

Application Deadline: August 22, 2013

This program is designed to create economic value for start-up and small companies by providing a non-repayable grant of 50% (up to \$50,000) towards the employment of HQP with graduate degrees in a geomatics area of study.

[1308-GEO-Placement CFP: Geo-Placement Funding Program \(Alberta\)](#)

Application Deadline: August 22, 2013

This program is designed to create economic value for start-up and small companies by providing a non-repayable grant of 50% (up to \$50,000) towards the employment of technical or business geomatics personnel.

If you have any questions or require further information regarding our programs, please contact Richard Gorecki, Director of Portfolio Development, at (403) 532-4279 or rgorecki@tecterra.com
